

# WAY Systems Mobile Transaction Terminal

Add  
Big  
Business  
Resources  
to  
Your  
Location

The WAY Systems Mobile Transaction Terminal (MTT) utilizes cellular phone technology to process transactions quickly and securely from any location. The MTT contains a built in-magnetic stripe reader as well as a smart card reader to provide your customers with a variety of payment options.

### A Complete Payment Solution

The Way Systems MTT can process all credit and smart card transactions and can be equipped with a debit card reader. Additionally, the MTT can be combined with a lightweight wireless printer, which can incorporate a tip-line, invoice number and toll number to your receipts.

### Target New Types of Business

The MTT can benefit any business that has wireless transaction needs and is ideal for the following business types:

- Taxis/chauffeured transportation
- Delivery services
- Shuttle services
- Door-to-door sales
- Home maintenance
- Auto services
- Restaurants

### Simple to Use

The Way Systems MTT arrives fully programmed, pre-activated and ready to use. The MTT also employs a simple user interface, making it one of the most user friendly terminals available.

### Nationwide Coverage

The Mobile Transaction Terminal utilizes GPRS mobile phone technology to ensure that you will always have a signal to complete your transactions. This technology allows you to leave your storefront and conduct transactions virtually anywhere and enables high-speed data transfer so that your transactions are finalized within a matter of seconds.

### State-of-the-Art Equipment

Add the benefits of an advanced wireless processing solution to your business without having to make a substantial equipment expenditure. The MTT represents a leap forward in terms of convenience and functionality and United Bank Card will provide this innovation to you for free.

### Enhance Your Business Today

Improve efficiency and increase sales with the Way Systems MTT. This lightweight (6 ounces) and compact payment device enables you to accept payment from anywhere without having to carry cumbersome equipment. Add a new, innovative, secure and FREE sales option to your business today.
